

TASK ANALYSIS

Teaching Front vs Back of Clothing

1

Get the learner's attention.

Let's look at our shirt!

2

Show the clothing item.
Name the front.

This is the front.

3

Turn the clothing over.
Name the back.

This is the back.

4

Point out clues to help
(tag, picture, seam).

picture = front

tag = back.

5

Ask the learner to identify the front.

Show me the front.

6

Ask the learner to identify the back.

Show me the back.

7

Provide feedback.

Great job!

8

Practice with different clothing items.

9

Fade prompts and encourage independence.

You did it by yourself!

Be consistent, use short words, and celebrate success!
