

TASK ANALYSIS

Teaching "Holding a Crayon"

1		Give the child the crayon.
2		Model how to hold the crayon.
3		Provide hand-over-hand assistance if needed.
4		Encourage the child to make a small mark.
5		Let the child practice making marks or scribbles.
6		Praise the child for holding the crayon! "Great job!"
7		Gradually fade prompts and encourage independent holding.

Be patient and consistent.
Small steps lead to big progress!
